CARLO ACUTIS: FIRST CLASS RELIC AND EXHIBITION OF EUCHARISTIC MIRACLES

Carlo Acutis (1991-2006) had a great
devotion to the Eucharist. Using his
knowledge of computers, he created
a website documenting Eucharistic
miracles.

We are privileged to be able to host a
First Class Relic of Saint Carlo, in
our Church for nine days.

At the same time, we will be holding
an exhibition of 30, of the 160
Eucharistic miracles he curated, each
displayed as a poster panel and each
accompanied with historical details
and scientific analysis. The
exhibition will be located in **Our
Lady and All Saints school**.

Both events will run from **Saturday
14th to Sunday 22nd February**, with
opening times in church and school
as follows:

Saturdays and Sundays:

11:30am-3:00pm;

Monday to Friday:

11:30am-3:00pm and 5:00pm-7:00pm.

Parishioners, friends and relatives are
encouraged to visit both the relics
and exhibition and to pray and
reflect on the reality of this truth.

*Please could you help by signing
up for a slot? Thank you.*

FINANCE AND FABRIC COMMITTEE NOTES:

HEATING IN CHURCH

Since early January, despite the
central heating in church being set
at the maximum temperature and
programmed to come on three
hours before each Mass, the general
temperature can still feel too cool.
By reducing the draughts, we hope
to create a warmer, more energy-
efficient church environment.

*If you can feel a draught where
you sit in church, it would be
really useful if you could note it
down on the plan of the church,
at the back of church. Thank you!*

BOUNDARY WALL

You may have noticed work taking
place on the boundary wall. This is
because a tree had reseeded itself
some time ago, via a crack in the
mortar. It has been growing along
the base of the wall, concealed in
the masonry, causing it to lean and
fracture. This section of wall has
been taken down, the vegetation
removed by the grounds team and
the wall carefully reconstructed.
You'll be amazed at the size of the
root! See photos: [Gallery - Our Lady
& All Saints Church, Parbold](#)
