### CARLO ACUTIS: FIRST CLASS RELIC AND EXHIBITION OF EUCHARISTIC MIRACLES

Carlo Acutis (1991-2006) had a great devotion to the Eucharist. Using his knowledge of computers, he created a website documenting Eucharistic miracles, thereby bringing the truth of the mystery of Jesus' real presence in the Eucharist to the forefront of people's understanding.

We are privileged to be able to host a First Class Relic of Saint Carlo, in **our Church** for nine days.

At the same time, we will be holding an exhibition of 30, of the 160 Eucharistic miracles he curated, each displayed as a poster panel and each accompanied with historical details and scientific analysis.

The headteacher has generously offered **Our Lady and All Saints school hall** to locate the **exhibition**.

Both events will run from **Saturday 14<sup>th</sup> to Sunday 22<sup>nd</sup> February**, with opening times in church and school as follows:

**Saturdays and Sundays:** 11:30am-3:00pm; **Monday to Friday:** 11:30am-3:00pm and 5:00pm-7:00pm.

Parishioners are encouraged to visit both the relics and exhibition and to pray and reflect on the reality of this truth. Please also encourage your family and friends to visit. For more details, see also the parish website: [What's On & Features - Our Lady & All Saints Parbold](#)

### HELP REQUESTED SAINT CARLO ACUTIS EXHIBITION AND RELICS

We are expecting visitors from parishes in this and neighbouring deaneries to the Exhibition. A small parish team are overseeing logistics, but they need extra help to steward during hourly slots. A list of slots can be found on the radiator cover at the back of church. ***Please could you help?***

### LOURDES PILGRIMAGE

The Archdiocesan Pilgrimage to Lourdes bookings are now open. Parishioners are encouraged to sign up. Further information is at the back of church. There is a drop-in session on **Sunday 1<sup>st</sup> February** after Mass.

### HEATING IN CHURCH

Since early January, the central heating has been set at the maximum temperature and programmed to come on three hours before the start of each Mass. However, the general temperature in church can still feel too cool.

By reducing the draughts, we are hoping to create a warmer, more energy-efficient church environment. Over the next weeks, we will be working on locating and fixing the draughts in the church.

***If you can feel a draught where you sit in church, it would be really useful if you could note it down on the plan of the church, at the back of church. Thank you!***

### ADULT FAITH FORMATION BIBLE STUDY: THE CHOSEN

The next session, **2:1 Thunder** will take place at **10:45am Friday 30th January** in the presbytery, Saint John the Evangelist, Burscough.

### FAMILY AID PACKS

A useful aid for young Catholic singles to understand the dating phase of life better and the issues affecting dating/relationships. The content is best meditated on in a spirit of prayer, if possible in front of the Blessed Sacrament. It is also useful for parents or chaplains to contemplate and take the ideas within the pack to guide or discuss with their teens or youth groups.

The Aid encourages the setting up of personal boundaries in a world where anything goes and includes the effects on the human brain of certain behaviours.

Parents have the responsibility to assist God in winning their children back to the faith. This comes through knowledge, reason and love shown in care. Thus the Aids can be used by parents as a corrective where the behaviour embarked does not accord with a healthy lifestyle or to open a conversation again. **Packs are on sale at the back of church, priced £5.00.**
