BEING HUMAN IN A DIGITAL AGE

Much has been written and debated
about Pope Leo's first encyclical
Magnifica humanitas: On Safeguarding
the Human Person in the Time of
Artificial Intelligence, which addresses
one of the principal challenges of the
contemporary age: artificial intelligence.

Pope Leo's first encyclical has given us
much to think about. But what does it all
mean? The archdiocese has collated some
resources which break down the Pope's
message and what it means for us. They
can be found on our website at:

HEALTH AND SAFETY

If you spot a trip hazard in church,
please bring it to the attention to the
steward or sacristan. Thank you.

PRAYER FOR REFUGEES AND ASYLUM SEEKERS

Almighty and merciful God, whose
son became a refugee and had no
place to call his own; look with
mercy on those today fleeing from
danger, homeless and hungry.

Bless those who work to bring them
relief; inspire generosity and
compassion in all our hearts and
guide the nations of the world
towards that day when all will
rejoice in your kingdom of justice
and peace.

We make our prayer, through
Christ Our Lord, Amen.
