FEAST SAINT CARLO ACUTIS

It's hard to believe that it is only just over 12 months ago when Saint Carlo was canonised. You may also recall our Relic and Exhibition of Eucharistic Miracles last February - what a lively time that was for the parish, with support given by so many parishioners and many hundreds of people visiting.

Throughout his life, Carlo displayed three saintly characteristics: Jesus as the centre of his life, connection to others in love, and knowledge of suffering. Through the pain of his leukemia, he was still not afraid to die, saying, "Death is the start of a new life."

"Saint Carlo Acutis, pray for us"
